

Any one action we take
to make the world
a better place
can feel like
it's just
a flimsy stick.

But think about
the dams
that beavers build.

It's hard not to feel
POWERLESS.

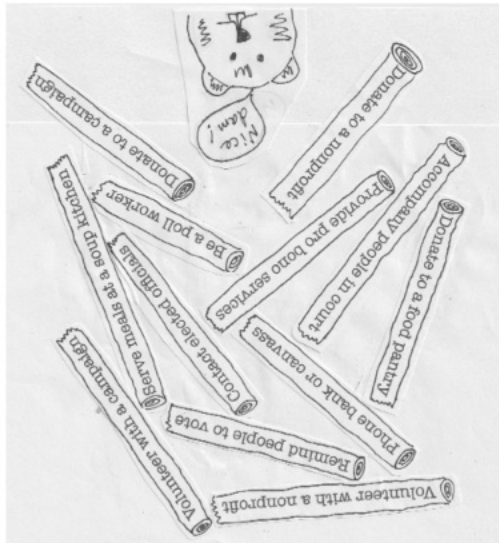

These days,
life can feel
pretty overwhelming.

War
Income inequality
ICE
& deportations
Dysfunctional government
Rogue A.I.
Climate catastrophe
Voter suppression

Lessons in Resistance
from our
Beaver Friends

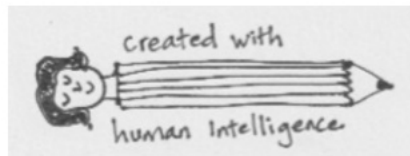

...we can build
something strong.

So
don't
give
up.

Leave it somewhere
for others to find.

How to
Give a DAM*

Be proud of what
you're already doing...
...and if you can,
do a little more.
